

Whataya Want From Me
Adam Lambert

Hey/Slow it down
What do you want from me
What do you want from me

Yeah/I'm afraid
What do you want from me
What do you want from me

There might have been a time
When I would give myself away
Oh once upon a time
I didn't give a damn

But now
Here we are

So what do you want from me

Just don't give up
I'm workin' it out
Please don't give in
I won't let you down
It messed me up
Need a second to breathe
Just keep coming around
Hey
What do you want from me
What do you want from me

Yeah/ It's plain to see
That baby you are beautiful
There's nothing wrong with you
(nothing wrong with you)
It's me
I'm a freak

But thanks for loving me
'Cause your doing it perfectly

Yeah, there might have been a time
When i would just let you slip away
I wouldn't even try
But I think you could save my life

Just don't give up
I'm workin' it out
Please don't give in
I won't let you down
It messed me up
Need a second to breathe
Just keep coming around
Hey
What do you want from me
(What do you want from me)

What do you want from me
(What do you want from me)

What do you want from me
(What do you want from me)

No, I won't let you down

So,just don't give up
I'm workin' it out
Please don't give in
I won't let you down
It messed me up
Need a second to breathe
Just keep coming around
Hey
What do you want from me

So,just don't give up
I'm workin' it out
Please don't give in
I won't let you down
It messed me up
Need a second to breathe
Just keep coming around
Hey

What do you want from me
(What do you want from me)

What do you want from me
(What do you want from me)

What do you want from me
(What do you want from me)
