

Don't wanna see the stars
Don't wanna see the moon
Don't wanna see the sun
It rises to soon

Don't wanna see the day
Don't wanna see the night
Oh, the afternoon it feels about right

I am the spaceman flying high
I am the astronaut in the sky
Don't worry, I'm ok now
I am the light in the dark
I am the match
I am the spark
Don't worry, I'm ok now

After the sun, always comes the rain
Followed by hurt, and pain
After the light, comes the dark
After the love comes the breaking of my heart

I am the spaceman flying high
I am the astronaut in the sky
Don't worry, I'm ok now
I am the light in the dark
I am the match
I am the spark
Don't worry, I'm ok now

(Oooo Oo Oooo Oo Oooo Oooo Oooo)

I am the spaceman flying high
I am the astronaut in the sky
Don't worry, I'm ok now
I am the light in the dark
I am the match
I am the spark
Don't worry, I'm ok now

Just dry your eyes and I'll be there
Don't live for anger or despair
Don't worry, I'm ok now
I'm ok
I'm ok now
