I know your feeling restless,
like life's not on your side.
It's weighing heavy on your mind.
But when we stand united,
our hearts they beat in time.
And I know we'll make it all alright.

Let's bring it back to you and me,
there's no one else around.
Now don't get lost in gravity,

Cause I want you to hold me now,
nothing else matters,
it's just the two of us.
And if it all falls down,
nothing else matters,
I know we're strong enough.

I'm not giving up,
I'm not giving up on us.
I said im not giving up,
I'm not giving up on love

We're of the same existence,
no lock without a key.
We can't deny it's meant to be.
Cause I feel it inside,
taking over tonight.
I'll be there when the storm is breaking
in this moment i'm yours
you can always be sure
that together we're gonna make it.

So baby won't you hold me now,
nothing else matters
it's just the two of us.
And if it all falls down,
nothing else matters
I know we're strong enough.
