There's a still in the street outside your window
You're keeping secrets on your pillow
Let me inside no cause for alarm
I promise tonight not to do no harm
I promise ya babe, i won't do ya no harm

And we're caught up in the crossfire
Of heaven and hell
And we're searchin for shelter
Lay your body down
Lay your body down
Lay your body down

Watching you dress as you turn down the lights
I forget all about the storm outside
Dark clouds roll their way over town
Heartache and pain came-ah pouring down
Like hail, sleet and rain, yeah, they're handing it
out

We're caught up in the crossfire
Of heaven and hell
And we're searchin for shelter
Lay your body down
Lay your body down
Lay your body down

Lay your body down
Lay your body down
Lay your body down

Tell the devil that he can go back from where he
came
His fiery arrows drew their bead in vain
And when the hardest part is over we'll be here
And our dreams will break the boundaries of our
fear
The boundaries of our fear

Lay your body down
Lay your body down
Lay your body down

Lay your body down
Lay your body down
Lay your body down
