Pull up, pull up, can't believe the girls, club
packed
What up, what up? Shawty wanna lead me to
the back, to the back
Ain't been in here 15 minutes, got a pocket full
of digits
And she just won't take no

Hold up, hold up, now little mama wanna get
bad
Slow up, slow up, saying she don't wanna share
what she have, she have
Ain't no particular one that's getting the water
gun
So many that I want

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

Another two just came and said they love me on
the radio
Two twins, that's a cool little scenario
They talking leaving right now
Wanna put in some time 'cause you know what
they're already about

One talking about she like the way that I pop
And the other one said she wanna just watch
I'm game for any damn thang, but there's more
than 200 dames
That's ready to go

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

So many look good in here

I don't even know which one I want
If I had to choose ya'll know
I would take all ya'll wit me

Who wanna try me on the floor
Who ready to come and get this
All I know that I'm feeling this party
And you can see I'm so with it

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

They packed up in here wall to wall and
I don't hear nothing but ladies calling
I'm tryna give one of them all this
But they keep coming from wall to wall

They packed up in here wall to wall and
I don't hear nothing but ladies calling
