don't hold yourself like that you'll hurt your  
knees  
i kissed your mouth & back that's all i  
need  
don't build your world around  
volcanoes melt you down  
what i am to you is not real  
what i am to you you do not need  
what i am to you is not what you mean to me  
you give me miles and miles of mountains  
and i'll ask for the sea  
don't throw yourself like that in front of me  
i kissed your mouth your back is that all you  
need?  
don't drag my love around volcanoes melt me  
down  
what i am to you is not real  
what i am to you you do not need  
what i am to you is not what you mean to me  
you give me miles and miles of mountains  
and i'll ask for the sea  
what i give to you is just what i'm going  
through  
this is nothing new no no  
just another phase of finding  
what i really need is what makes me bleed  
and like a new disease  
she's still too you to treat  
volcanoes melt me down  
she's still too young  
i kissed your mouth  
you do not need me
