I feel a separation coming on  
'Cause I know you want to be moving on  
I wish it would snow tonight  
You'd pull me in, avoid a fight  
'Cause I feel a separation coming on

Just prove that there is nothing left to try  
'Cause the truth I'd rather we just both deny  
You kissed me with those open eyes  
It says so much, it's no surprise to you  
But I've got something left inside

Don't surrender, surrender, surrender  
Please remember, remember December  
We were so in love back then  
Now you're listening to what they say, don't go  
that way  
Remember, remember December  
Please remember, don't surrender

You said you wouldn't let them change your  
mind  
'Cause when we're together fire melts the ice  
Our hearts are both on overdrive  
Come with me, let's run tonight  
Don't let these memories get left behind

Don't surrender, surrender, surrender  
Please remember, remember December  
We were so in love back then  
Now you're listening to what they say, don't go  
that way  
Remember, remember December  
Please remember

I remember us together with a promise of  
forever  
We can do this, fight the pressure  
Please remember December

Don't surrender, surrender, surrender  
Please remember, remember December  
We were so in love back then  
Now you're listening to what they say, don't go  
that way  
Remember, remember December  
Please remember, don't surrender
