I get tired, and upset  
And I'm trying to care a little less  
When I Google I only get depressed  
I was taught to dodge those issues, I was told

Yeah, yeah, yeah

Don't worry, there's no doubt  
There's always something to cry about  
And when you're stuck in an angry crowd  
They don't think what they say  
Before they open their mouths

You gotta

Pack up your troubles in your old kit bag and  
bury them beneath the sea  
I don't care what the people may say, what the  
people may say 'bout me  
Pack up your troubles, get your old grin back,  
don't worry about the cavalry  
I don't care what the whisperers say 'cause they  
whisper too loud for me

Hot topic  
Maybe I should drop it  
It's a touchy subject  
And I like to tiptoe round the ship going down

You got a penny, but no pound  
So if your business is running out  
It's not my business to talk about  
But they don't think what they say  
Before they open their mouths

You gotta

Pack up your troubles in your old kit bag and  
bury them beneath the sea  
I don't care what the people may say, what the  
people may say 'bout me  
Pack up your troubles, get your old grin back,  
don't worry about the cavalry  
I don't care what the whisperers say 'cause they  
whisper too loud for me

(It's just to test your ability  
Let's count from one to infinity  
Don't rock the boat, gotta let it be  
Gotta let it go-o-o-o-o-o)
