Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well, that's alright because I love the way you lie
I love the way you lie

I can't tell you what it really is, I can only tell
you what it feels like
And right now there's a steel knife in my
windpipe
I can't breathe but I still fight while I can fight
As long as the wrong feels right it's like I'm in
flight

High off of love, drunk from my hate
It's like I'm huffin' paint and I love it, the more I
suffer
I suffocate and right before I'm about to drown,
she resuscitates me
She fuckin' hates me, and I love it

Wait, where you going? I'm leaving you, no, you
ain't
Come back, we're running right back, here we go
again
It's so insane, 'cause when it's going good, it's
going great
I'm Superman with the wind at his back

She's Lois Lane but when it's bad, it's awful, I
feel so ashamed
I snap, "Who's that dude?", I don't even know
his name
I laid hands on her, I never stoop so low again
I guess I don't know my own strength

Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well, that's alright because I love the way you lie
I love the way you lie
I love the way you lie

You ever love somebody so much, you could
barely breathe when you with 'em?
You meet, and neither one of you even know it
hit 'em
Got that warm fuzzy feeling, yeah, them chills,
used to get 'em
Now you're gettin' fuckin' sick of lookin' at 'em

You swore you'd never hit 'em, never do nothing
to hurt 'em
Now you're in each others face spewing venom
in your words when you spit 'em
You push, pull each others hair, scratch, claw, bit
'em
Throw 'em down, pin 'em, so lost in the
moments when you're in 'em

It's the race that took over, it controls you both
So they say you'd best to go your separate
ways, guess that they don't know ya
'Cause today, that was yesterday, yesterday is
over, it's a different day
Sound like broken records playing over

But you promised her, next time you'd show
restraint
You don't get another chance, life is no Nintendo
game
But you lied again, now you get to watch her
leave out the window
Guess that's why they call it "window pane"

Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie
I love the way you lie

Now I know we said things, did things that we
didn't mean
And we fall back into the same patterns, same
routine
But your temper's just as bad as mine is, you're
the same as me
But when it comes to love, you're just as blinded

Baby, please come back, it wasn't you, baby, it
was me
Maybe our relationship isn't as crazy as it seems
Maybe that's what happens when a tornado
meets a volcano
All I know is I love you too much to walk away
though

Come inside, pick up your bags off the sidewalk
Don't you hear sincerity in my voice when I talk?
Told you this is my fault, look me in the eyeball
Next time I'm pissed, I'll aim my fist at the
drywall

Next time? There won't be no next time
I apologize, even though I know it's lies
I'm tired of the games, I just want her back, I
know I'm a liar
If she ever tries to fuckin' leave again, I'ma tie
her to the bed
And set this house on fire

Just gonna stand there and watch me burn
Well that's alright because I like the way it hurts
Just gonna stand there and hear me cry
Well that's alright because I love the way you lie
I love the way you lie
I love the way you lie
