Well you
Are you in there?
I'm stuck outside you
Ooh ooh

We could use
One another
Another like you
Ooh ooh

You'll be my
Passerby
I'm the only
One to pass through

Screws inside
Turned so tight
Turn it on you
I'll hang it on you
Ooh ooh

Baby blue
Don't go nowhere
I'm right beside you
Ooh ooh

And you
Go nowhere
I'm right beside you
Ooh ooh

You'll be my
Passerby
I'm the only
One to pass through

Screws inside
Turned so tight
Turn it on you
I'll hang it on you

Take it as low as you'll go
Low as you'll go
Low as you'll go
Low as you'll go
