I did not take to analysis so I had to make up  
my mind  
And hold it for a while  
I would not just leave you without a kiss  
But I guess there must come a time  
And there is no more tears to cry

Thieves and snakes need homes .. need homes  
Barricade

It starts to feel like a barricade that keep us  
away  
to keep us away it kind of does  
It starts to feel like a barricade to keep us away  
Keep us away

I could not lean on the politics  
cause I didn't want to train my eye  
To hold so short a time  
Oh so high just don't know where  
The blind could lead the sightless  
but I still like to witness  
thieves and snakes need homes .. need homes  
Barricade

It starts to feel like a barricade that keep us  
away  
to keep us away it kind of does  
It starts to feel like a barricade to keep us away  
Keep us away

full speed half blind full tilt decline  
We turn to past times  
Full speed half blind

(You know us you know us  
??????????  
Say i'm sorry)

Sometimes it feel like a barricade that keep us  
away  
to keep us away it kind of does  
It starts to feel like a barricade to keep us away  
Keep us away you know us

Full speed half blind full tilt decline  
we turn to past times full speed half blind  
full speed half blind full tilt decline  
onto all time full speed half blind
