

I did my best to notice
When the call came down the line
Up to the platform of surrender
I was broke but i was kind
And sometimes i get nervous
When i see an open door
Close your eyes
Clear your heart

Cut the chord
Are we human?
Or are we denser?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answer
Are we human?
Or are we denser?

Pay my respects to grace and virtue
Send my condolences to good
Give my regards to soarer moments
They always did the best they could
And so long to devotion
You taught me everything i know
Wave goodbye
Wish me well

You got to let me go
Are we human?
Or are we denser?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answers
Are we human?
Or are we denser?

Will your system be alright
When you dream of home tonight?
There is no message we're receiving
Let me know is your heart still beating

Are we human?
Or are we denser?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answers

You got to let me go
Are we human?
Or are we denser?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answers
Are we human
Or are we denser?

Are we human?
Or are we denser?

Are we human
Or are we denser?
