When she was 22 the future looked bright
But she's nearly 30 now and she's out every
night
I see that look in her face she's got that look in
her eye
She's thinking how did I get here and wondering
why

It's sad but it's true how society says
Her life is already over
There's nothing to do and there's nothing to
say
Til the man of her dreams comes along picks her
up and puts her over his shoulder
It seems so unlikely in this day and age

She's got an alright job but it's not a career
Wherever she thinks about it it brings her to
tears
Cause all she wants is a boyfriend
She gets one-night stands
She's thinking how did I get here
I'm doing all that I can

It's sad but it's true how society says
Her life is already over
There's nothing to do and there's nothing to
say
Til the man of her dreams comes along picks her
up and puts her over his shoulder
It seems so unlikely in this day and age

It's sad but it's true how society says
Her life is already over
There's nothing to do and there's nothing to
say
Til the man of her dreams comes along picks her
up and puts her over his shoulder
It seems so unlikely in this day and age
