

God bless us everyone
We're a broken people living under a loaded gun
And it can't be outfought
It can't be outdone
It can't be outmatched
It can't be outrun
No

God bless us everyone
We're a broken people living under a loaded gun
And it can't be outfought
It can't be outdone
It can't be outmatched
It can't be outrun
No

And when I close my eyes tonight
To symphonies of blinding light
(God bless us everyone
We're a broken people living under a loaded gun)
Like memories in cold decay
Transmissions echoing away
Far from the world of you and I
Where oceans bleed into the sky
