I gotta take a little time
a little time to think things over
I better read between the lines
in case I need it when I'm colder

In my life there's been heartache and pain
I don't know if i can face it again
Can't stop now, I traveled so far
to change this lonely life

I want to know what love is
I want you to show me
I want to feel what love is
I know you can show me

Gonna take a little time
a little time to look around me
I've got nowhere left to hide
it looks like love has finally found me

In my life, there's been heartache and pain
I don't know if I can face it again
Can't stop now, I've traveled so far
to change this lonely life

I want to know what love is
I want you to show me
I wanna feel what love is
I know you can show me

Show me

I wanna know, know
I wanna know what love is
I want you to show me
I wanna feel what love is
and I know you can show me
I want to know what love is
let's talk about love
I want you to show me
