You been bad  
and it goes on and on and on  
till you come home babe till you come home  
you taste fast the poison you learn to love is  
gone  
i'm on and on babe on and on

i made it but something always waiting made me  
feel nothing  
wondering if it'll ever change

And give a little more oh babe  
and give a little more oh babe  
i'm not gonna love babe i'm not gonna love  
till i give a little more to you babe  
till i give a little more for you babe

And you were born to turn me on and on and on  
and on and on yeah  
you make it so hard  
im waiting for something always waiting made  
me feel nothing  
wondering if it'll ever change

And give a little more oh babe  
and give a little more oh babe  
i'm not gonna love babe i'm not gonna love  
till i give a little more to you babe  
till i give a little more for you babe

i have no defense i know you're gonna get me in  
the end  
and i cannot pretend i ever want to feel this way  
again

i'm not gonna love babe i'm not gonna love  
till i give a little more to you babe  
till i give a little more for you babe  
i'm not gonna love babe i'm not gonna love  
till i give a little more to you babe  
till i give a little more for you babe
