Is your secret safe tonight? And are we out of sight  
Or will our world come tumbling down?  
Will they find our hiding place? Is this our last embrace  
Or will the walls start caving in?

It could be wrong, could be wrong  
But it should've been right  
It could be wrong, could be wrong  
To let our hearts ignite

It could be wrong, could be wrong  
Are we digging a hole?  
It could be wrong, could be wrong  
This is out of control

It could be wrong, could be wrong  
It could never last  
It could be wrong, could be wrong  
Must erase it fast

It could be wrong, could be wrong  
But it could've have been right  
It could be wrong, could be

Love is our resistance, they'll keep us apart  
And they won't stop breaking us down  
And hold me, our lips must always be sealed

If we live our life in fear, I'll wait a thousand years  
Just to see you smile again  
Quell your prayers for love and peace  
You'll wake the thought police  
We can hide the truth inside

It could be wrong, could be wrong  
But it should have been right  
It could be wrong, could be wrong  
To let our hearts ignite

It could be wrong, could be wrong  
Are we digging a hole?  
It could be wrong, could be wrong  
This is out of control

It could be wrong, could be wrong  
It could never last  
It could be wrong, could be wrong  
Must erase it fast

It could be wrong, could be wrong  
But it could've been right  
It could be wrong, could be

Love is our resistance, they'll keep us apart  
And they won't stop breaking us down  
Hold me, our lips must always be sealed

The night has reached its end  
We can't pretend  
We must run, we must run  
It's time to run

Take us away from here  
Protect us from further harm
