Its just the way the game is played
Its the best if you just wait your turn

The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova

I pitch with a grenade
Swing away if you're feelin brave
There's so much power in my name
If you pop off in your seat steady
I'm gonna do the wave

I'm such a such a lady
You don't have to be so afraid
cos I got room up on my team
You can play but hold up
Its just the way the game is played
Its the best if you just
Wait your turn

It's getting crowded over here
But babe the wait is ova
Sometimes it takes a thousand tries
To win The Wait Is Ova
Fumble don't you fumble
That's a flag on the play
Babe if you don't wanna
Then you don't have to wait
But together we gon' be taking over

Its just the way the game is played
Its the best if you just wait your turn

So you don't wanna wait
I hate to hear that's such a shame
Cos if you playing tight wears
And no diamond in my ears
Then you already under way

I know you want to win
And you wish I would let you in
Get in line over here
You can play but hold up

Its just the way the game is played
Its the best if you just
Wait your turn

It's getting crowded over here
But babe the wait is ova
Sometimes it takes a thousand tries
To win the wait is ova
Fumble don't you fumble that's a flag on the play
Babe if you don't wanna then you don't have to

wait
But together we gon' be taking over

Its just the way the game is played
Its the best if you just wait your turn

Baby put the work in like a champion
But the crows is screaming with their hands way
up
Couldn't be with no one else
You're the only way I win
Baby got the whole world standing up
Damn I bet a pitcher
Took a chance on love
Baby Love the time Is now
And now the wait is ova

The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova
The wait is ova
Just wait your turn

It's getting crowded over here
But babe the wait is ova
Sometimes it takes a thousand tries to win
The wait is ova
Fumble don't you fumble that's a flag on the play
Babe if you don't wanna then you don't have to
wait
But together we gon be taking over

Its just the way the game is played
Its the best if you just wait your turn

Just wait your turn
The wait is over the wait is over
