

Ohhh Yeah

Sometimes
I Feel like I'm going out of
My mind,

Boy the way you do me is a
damn crime,

But then you smile at me
and its all right,

With you there aint nothin' in between,

Every time that I walk out the door,
Tell myself I can't take it no more,

There's a part of me won't let you go
Keep saying yes when my minds saying no,

Chorus:
Me and my heart we got issues,
Don't know if I should hate you or miss you,
Damn, I wish that I could resist you,
Can't decide if I should slap you or kiss you.
Me and my heart we got issues, issues, issues.
We got issues, issues, issues.

Its so wrong, boy you leave me hangin' for so
long,
You empty out my love until its all gone,
You change the words but still it's the same
song,
I'm tired of the melody.

Change my number and throw out your clothes,
But my feelings for you, it still shows,
I keep building the walls round my heart,
But then I see you, and it all falls apart...

Chorus:
Me and my heart we got issues,
Don't know if I should hate you or miss you,
Damn, I wish that I could resist you,
Can't decide if I should slap you or kiss you.
Me and my heart we got issues, issues, issues.
We got issues, issues, issues.

Why fight it, cant hide it
Truth is I think I like it,
Confusion, illusion
Still I don't know which way to go...

Chorus: (x2)
Me and my heart we got issues,
Don't know if I should hate you or miss you,
Damn, I wish that I could resist you,
Can't decide if I should slap you or kiss you.

Me and my heart we got issues, issues, issues.
We got issues, issues, issues.

Me and my heart we got issues, issues, issues
We got issues, issues, issues,
We got issues, issues, issues
We got issues, issues, issues

Me and my heart we got issues
Don't know whether I should hate you or miss
you.
