When I'm with you baby, I go out of my head
And I just cant get enough, I just cant get
enough
All the things you do to me and everything you
said
And I just cant get enough, I just cant get
enough

We slip and slide as we fall in love
And I just cant seem to get enough

We walk together, were walking down the street
And I just cant get enough, I just cant get
enough
Every time I think of you I know we have to
meet
And I just cant get enough, I just cant get
enough

Its getting hotter, its our burning love
And I just cant seem to get enough

And when it rains, you're shining down for me
And I just cant get enough, I just cant get
enough
Just like a rainbow you know you set me free
And I just cant get enough, I just cant get
enough

You're like an angel and you give me your love
And I just cant seem to get enough
