It's the price I guess  
For the lies I've told  
That the truth it no longer thrills me

And why can't we laugh?  
When it's all we have  
Have we put these childish things away?  
Have we lost the magic that we once had?

In the end  
There's nothing more to life than love is there?  
In the end  
It's time for us to lose our weary minds

Will you dance with me?  
Like we used to dance  
And remember how to move together

You are the truth  
And it all makes sense  
I've waited here for you forever  
I've waited here for you forever

We're lost 'til we learn how to ask  
So please won't you please just ask
