Baby, you're lookin' fire hot
I'll have you open all night like an IHOP
I'll take you home baby, let you keep me
company
You give me some of you, I give you some of me
(You look good)
Baby must taste heavenly, I'm pretty sure that
you got your own recipe
So pick it up, pick it up, yeah I like you
I just can't get enough I gotta drive through

Cause it's me, you, you, me, me, you, all night
Have it your way, fore play before I feed your
appetite
Let me get my ticket baby let me get in line
I can tell the way you like it baby supersized
Hold on, you got yours, let me get mine
I ain't leavin' till they turn over the closed sign

Take my order cause your body like a carryout
Let me walk into your body till you hear me out
Turn me on my baby don't you cut me out
Turn me on my baby don't you cut me out

Take my order cause your body like a carryout
Let me walk into your body till it's lights out
Turn me on my baby don't you cut me out
Turn me on my baby don't you cut me out

Number one, I take two number three's
That's a whole lotta you, and a side of me
Now is it full of myself to want you full of me?
And if there's room for dessert, then I want a
piece
Baby, get my order right no errors,
Imma touch you in all the right areas
I could feed you, you could feed me
Girl, deliver that to me, come see me
Cause it's me, you, you, me, me, you all night
Have it your way, fore play, before I feed your
appetite
Do you like it well done cause I do it well,
Cause I'm well seasoned if you couldn't tell
Now, let me walk into your body till you hear me
out
Turn me on my baby don't you cut me out

Take my order cause your body like a carryout
Let me walk into your body till you hear me out
Turn me on my baby don't you cut me out
Turn me on my baby don't you cut me out

Take my order cause your body like a carryout
Let me walk into your body till it's lights out
Turn me on my baby don't you cut me out
Turn me on my baby don't you cut me out

What's your name?
What's your number?
I'm glad I came,

Can you take my order?

What's your name?
Girl what's your number?
I'm glad I came,
Can you take my order?

Come over here,
What's your name?
Come closer,
What's your number?

Over here,
I'm glad I came
A little closer
Can you take my order?

Come over here,
What's your name?
Come closer,
What's your number?

Over here,
I'm glad I came
A little closer,
Can you take my order?

Take my order cause your body like a carryout
Let me walk into your body till you hear me out
Turn me on my baby don't you cut me out
Turn me on my baby don't you cut me out

Take my order cause your body like a carryout
Let me walk into your body till it's lights out
Turn me on my baby don't you cut me out
Turn me on my baby don't you cut me out
