Today I do whatever I choose
Run around naked and act like a fool
Think up a tune that smells like the roses in june

Today I burn my bridges
And go start breathe naturally
Take a turn to the right
And begin to belief

Love me love me love me love me love me love
me love me too
Cause I sure as hell love you
Love me love me love me love me love me love
me love me too
Cause I sure as hell love you

I burned my bridges before
Nobody wants to be alone

Love me love me love me 2x

Today I do whatever I choose
Run around naked and act like a fool
Think up a tune that smells like the roses in june

Today I burn my bridges
And go start breathe naturally
Take a turn to the right
And begin to belief

Love me love me love me love me love me love
me love me too
Cause I sure as hell love you
Love me love me love me love me love me love
me love me too
Cause I sure as hell love you
