

You've applied the pressure  
To have me crystalized  
And you've got the faith  
That I could bring paradise

I'll forgive and forget  
Before I'm paralyzed  
Do I have to keep up the pace  
To keep you satisfied

Things have gotten closer to the sun  
And I've done things in small doses  
So don't think that I'm pushing you away  
When you're the one that I've kept closest

Ahh ahh ahh  
Ahh ahh ahh  
Ahh ahh ahh  
Ahh ahh ahh

You don't move slow  
Taking steps in my directions  
The sound resounds, echo  
Does it lesson your affection  
No

You say I'm foolish  
For pushing this aside  
But burn down our home  
I won't leave alive

Glaciers have melted to the sea  
I wish the tide would take me over  
I've been down on my knees  
And you just keep on getting closer

Ahh ahh ahh  
Ahh ahh ahh  
Ahh ahh ahh  
Ahh ahh ahh

Glaciers have melted to the sea (Things have  
gotten closer to the sun)  
I wish the tide would take me over (And I've  
done things in small doses)  
I've been down onto my knees (So don't think  
that I'm pushing you away)  
And you just keep on getting closer (When  
you're the one that I've kept closest)

Go slow  
Go slow  
Go slow  
Go slow  
Go slow
